

Customer Details

Name: _____

Location: _____

Application Details: _____

How is the motor used?: _____

Voltage 12VDC 24VDC 115VAC Other: _____**What type of Motor?** Brushed DC Brushless DC AC Synchronous Stepper**Specifications**

Output Speed: _____

Torque _____

Accessories Position Feedback (encoder) Brake Drive Electronics(Integrated / External -
BLDC Only)**Commercial Information**

Competitor: _____

Estimated Annual Usage: _____

Budget Price: _____

Schedule

Prototype Need Date: _____

Production Date: _____
